

Workshop – 5 October 2017

Food
Packaging
Forum

“Scientific challenges in the risk assessment of food contact materials”

Chairs

Prof. Dr. Martin Scheringer, *RECETOX, Masaryk University, Czech Republic,*
and *ETH Zurich, Switzerland*

Prof. Dr. John Peterson (Pete) Myers, *Environmental Health Sciences and*
Carnegie Mellon University, USA

Program

08:00 Registration and coffee

Morning session

Chair: Prof. Dr. Martin Scheringer, President, Food Packaging Forum Foundation Board

09:00 Welcome and introduction

Prof. Dr. Martin Scheringer

09:05 Scientific challenges in the risk assessment of FCMs: Work of the
FPF Scientific Advisory Board

Prof. Dr. Martin Scheringer

09:30 Measuring migration from FCMs: Scientific and practical challenges

Dr. Eddo Hoekstra, *EU Joint Research Centre, Italy*

10:00 Printed paper and board: Priority setting strategy for toxicological
assessment

Melissa Van Bossuyt, *Scientific Institute of Public Health and Vrije Universiteit
Brussel, Belgium*

10:30 Coffee break

11:00 Recent advances in accumulation and effects of MOSH in rats – an
overview

Dr. Jean-Pierre Cravedi, *INRA, France, and EFSA CEF Panel, Italy*

11:30 Application of bioassays for packaging safety evaluation

Dr. Benoit Schilter, *Nestlé Research Center, Switzerland*

12:00 Why good science is not value-free

Dr. Karim Bschor, *ETH Zurich, Switzerland*

Workshop – 5 October 2017

Food
Packaging
Forum

12:30 Lunch break

Afternoon session

Chair: Prof. Dr. Pete Myers, Member, Food Packaging Forum Foundation Board

13:30 The reform of Chinese legislation for FCMs and the challenges for compliance

Dr. Marco Zhong, *National Reference Laboratory for Food Contact Materials, China*

Podium: Ensuring the safety of FCMs in a global economy

14:00 Packaging safety challenges: Supply chain communication

James Huang, *The Coca-Cola Company, USA*

14:15 Communication in the supply chain and the influence on compliance assessment

Kris Callaert, *Viaware, the Netherlands*

14:30 Independent third-party testing labs: What role can and should they play in enforcing FCM regulations?

Dr. Thomas Gude, *SQTS, Switzerland*

14:45 Using new scientific knowledge to update regulations in the U.S.

Dr. Maricel Maffini, *independent consultant, USA*

15:00 Coffee break

15:30 Podium and discussion

Moderated by Dr. Jane Muncke, *Food Packaging Forum Foundation, Switzerland*

16:25 Conclusions

Prof. Dr. Pete Myers and Prof. Dr. Martin Scheringer

16:30 Adjourn
