Coca-Cola Philippines to use recycled packaging by 2023

31st October 2022

44g and 64g Snickers bars.

Or plastic an

By Claire Jenns

Starbucks celebrates the 2022 holiday season with a new design for its reusable red cup (foreground) and four different graphics for its disposable paper cups (in the background).

The coffeehouse chain has made its reusable and disposable holiday cups more sustainable than ever.
